What are my responsibilities?

If for any reason you are not able to keep an appointment or if you have missed an appointment, you should tell your Provider why as soon as you can. You should also do this if you can't do or haven't done something your *Employment Pathway Plan* says you should do.

To ensure that you are getting the right support you should let your Provider know if something in your life changes such as health, parenting responsibilities, personal crisis, education, voluntary or paid work.

If you are on Newstart Allowance or Youth Allowance there are also some things that you will have to do if you want to keep receiving income support:

- Make every effort to get a job, and accept any suitable job you are offered
- Do your best at every job interview
- Do everything that you have agreed to do in your *Employment Pathway Plan*, this includes going to all appointments
