* **Full Coverage** is where the Panel Member has coverage to provide the service stream(s) across the whole Labour Market Region(s) (LMR(s)) listed below.

** **Partial coverage** is where the Panel Member can only provide the service stream(s) in some areas within the Labour Market Region(s) (LMR(s)) listed rather than across the whole LMR(s). This is generally listed as the relevant Employment Service Areas (ESA) within the LMR. (For example, a Panel Member may be able to deliver services in the Darwin ESA only within the Northern Territory LMR.) For more information on the areas within the LMR(s) listed in which a Panel Member with partial coverage can provide services, you will need to contact the Indigenous Employment Manager in your local DEEWR office.

Note: Where the combination of Service Streams which a Panel Member can provide varies between LMRs, this is shown as separate lines against the Panel Member's entry. For an example - see the entry above for Indigenous Employment Specialists.
