* **Full Coverage** is where the Panel Member has coverage to provide the service stream(s) across the whole Labour Market Region(s) (LMR(s)) listed below.

** **Partial coverage** is where the Panel Member can only provide the service stream(s) in some areas within the Labour Market Region(s) (LMR(s)) listed rather than across the whole LMR(s). (For example, a Panel Member may be able to deliver services in the Darwin area only within the Northern Territory LMR.) For more information on the areas within the LMR(s) listed in which a Panel Member with partial coverage can provide services, you will need to contact the Indigenous Employment Manager in your local DEEWR office.

Note: Where the combination of Service Streams which a Panel Member can provide varies between LMRs, this is shown as separate lines against the Panel Member's entry. For an example - see the entry above for Indigenous Employment Specialists.
